Sir:

In accordance with the duty of disclosure under 37 C.F.R. § 1.56, Applicant hereby notifies the U.S. Patent and Trademark Office of the documents which are listed on the attached PTO/SB/08 (modified) form and/or listed herein and which the Examiner may deem material to patentability of the claims of the above-identified application.

One copy of each of the listed documents is submitted herewith, except for the following: U.S. patents and/or U.S. patent publications; and co-pending non-provisional U.S. applications filed after June 30, 2003.

The present Information Disclosure Statement is being filed: (1) No later than three months from the application's filing date; (2) Before the mailing date of the first Office Action on the merits (whichever is later); or (3) Before the mailing date of the first Office Action after filing a request for continued examination (RCE) under § 1.114, and therefore, no Statement

under 37 C.F.R. § 1.97(e) or fee under 37 C.F.R. § 1.17(p) is required. However, since a § 1.97(e) Statement can be made, a Statement is enclosed herewith.

Applicant encloses herewith a copy of an Office Action issued on March 17, 2010 in Australian Application No. 2005320672 and an Office Action issued on May 4, 2010 in Indonesian Application No. W-00 2007 02057, along with an English language translation thereof. Applicant notes that both Office Actions were issued in foreign applications which correspond to co-pending U.S. Application No. 11/721,863 and that all references cited in the Office Actions have been previously submitted to the U.S. Patent and Trademark Office.

The submission of the listed documents is not intended as an admission that any such document constitutes prior art against the claims of the present application. Applicant does not waive any right to take any action that would be appropriate to antedate or otherwise remove any listed document as a competent reference against the claims of the present application.
